

Applications are invited for the position of a university professor for

### **Rock Mechanics and Tunnelling**

at the Institute of Rock Mechanics and Tunnelling of the Civil Engineering Faculty of Graz University of Technology. It is planned to fill this position pursuant to Sec. 98 Austrian University Act 2002 as from October 1<sup>st</sup> 2018; the position will be based on a permanent employment contract as defined under the terms of Austrian civil-law with Graz University of Technology.

The successful candidate is expected to show commitment in representing the subject areas of rock mechanics and tunnelling in research and teaching; the candidate will pro-actively contribute to scientific research achievement in these fields, initiate and implement projects of fundamental research and applied research, continue the management of the rock mechanics laboratory and further expand this laboratory. We expect close cooperation with the other departments and research centres of Graz University of Technology that have a comparable academic and research focus, interdisciplinary cooperation (e.g. in the respective fields of expertise) and readiness for inter-university cooperation (as in the “NAWI Graz Geosciences” network with Graz University).

Graz University of Technology has the strategic goal of increasing the percentage of women especially in management and academic positions, and therefore explicitly encourages qualified female candidates to apply. Until a balanced proportion of women among the staff is reached, women with equal qualifications compared to other candidates will be appointed preferentially. The transfer of residence to the area of Graz is required.

Further information's as well as appointment requirements are available on the faculty homepage <https://www.tugraz.at/fakultaeten/bau/home/> .

Candidates should submit their detailed application written and in electronic form by email at the latest by **October 1<sup>st</sup> 2017** (Date of E-Mail) to the Dean's Office at Faculty of Civil Engineering, Graz University of Technology, Rechbauerstraße 12, 8010 Graz, Austria: [dekanat.bau@tugraz.at](mailto:dekanat.bau@tugraz.at).

The Dean: Prof. Dr. Gerald Zenz
